IURII
SHPYNEV

TEAM LEAD WEB DEVELOPER / AUTOMATIZATION LEAD

As a highly skilled Lead Full-stack developer with over 13 years of experience, I excel not only in technical expertise but also in management and leadership. My specialization lies in the development and maintenance of high-load websites, and I am proficient in PHP, Node.js, JavaScript and MySQL. Additionally, I utilize the best programming languages for specific tasks, including experience with Go, Python, and C#.

EXPERIENCE

X-Flow
Jun 2023 - present
Limassol

Lead Full Stack Developer

As the lead developer, I managed a team of several developers and QA, overseeing the architecture of projects and translating business requirements from clients into fully realized features. I also introduced numerous processes within the team to enhance productivity and efficiency.

PHP – JS– Node.js – Leading – Laravel – React.js – TypeScript – k8s – MySQL – Redis – Git – CI/CD – Golang – Docker – Figma

FX BackOffice
Sep 2022 - Jun 2023
Limassol

Senior Web Developer

Leading teams and projects. Supporting and maintaining the CRM for Forex companies. Developing new features. Integrating payment systems.

PHP – JS – Leading – Symfony – Vue.js – TypeScript – CSS – MySQL – Redis – Git – Linux

VOLKA GAMES
Jul 2021 - Aug 2022
Limassol

Automatization Lead / Senior PHP Developer

Developed a comprehensive system for storing creative assets and created a plugin for Adobe AE using Node.js to streamline the asset loading process. This project aimed to solve the issue of data transfer between contractors by enabling direct asset access within Adobe After Effects.

PHP – JS – Laravel – Node.js – Leading – Vue.js – TypeScript – MySQL – Docker – Golang – AWS – Redis – Git – CI/CD – Linux – WebSockets – C# – Unity3D – Python Adobe Plugins – HTML5 – Canvas – Playable Ads

ORTNEC
May 2020 - Jul 2021
Limassol
